Victory Taekwondo Center, Parker, CO

Accion Helps Taekwondo Business get a Kick Start

Passionate about teaching Taekwondo and yearning to be a business owner, Ramil Abratique and his wife Caryl immigrated to California, saving and opening a Taekwondo school. Then, the Great Recession hit and the couple moved to Colorado in search of greater financial opportunity. With hard work and determination, Ramil and Caryl opened Victory Taekwondo Center in Parker, Colorado in 2010. With four loans from CDFI Accion, the business has taken root and is thriving.

"Having Accion on our side, we are highly confident we will be successful in the future."
